

#### **4 Page Website Package – Without domain or website hosting**

This package is designed if you have an existing out dated website and would like a contemporary fresh update.

#### **What is included:**

- 1) Home / Welcome page
- 2) Accommodation / Facilities – up to 5 photos for this section.
- 3) Location / Attractions
- 4) Contact / Tariffs

1 set of minor changes after the initial artwork is provided to you.

Your logo and colours will be branded on the new site and each design is individually designed for your business.

#### **What we need from you:**

1. No less than five photos of your accommodation. If you can provide more this is better for us as it gives us more options to create a well designed website.
2. All content for your website supplied electronically. This should include your contact details, information about your accommodation, Tariffs if you wish to display them on your website.
3. You logo if you have one.
4. Information about your domain name and hosting.

**Price: \$ 660.00**

Please sign authority below to commence the above items and fax or post this form back to us on 43251188.

50% deposit is required, final balance due before your site is published.
